## 2017-2018 Athletic Transportation Form

### FOR HIGH SCHOOL ATHLETES ONLY

1. If Whitfield does not provide transportation to games or practices, parents are responsible for making arrangements to transport their children to and from varsity or sub-varsity events that are not held on campus. Parents may transport students. With a parent's signature on this form, varsity and sub-varsity team members can drive themselves or carpool with other team members to away games or practices. With parent permission, varsity and sub-varsity athletes who do not drive may ride as passengers in another athlete's vehicle. The exact mode of transportation must be determined by the parent and student.
2. On days when there is an off-campus game, competition or practice, Whitfield School will not have physical custody or control over varsity or sub-varsity team members from the time they leave school until the time they arrive at the location, or after the athletes leave the location of the event. As a result, Whitfield School and its employees will not be responsible for injuries or damages that may occur during these periods of time.
3. In the event that a student does desire to travel independently of the bus, the student's parent or guardian must indicate and sign the appropriate options below:

- I **give my permission** for my son/daughter to drive himself/herself to and from Whitfield games or practices.
- I **give my permission** for my son/daughter to ride with another athlete to Whitfield games and/or practices.
- I **do not give my permission** for my son/daughter to drive himself/herself to Whitfield games and/or practices.
- I **do not give my permission** for my son/daughter to ride with another athlete to games and/or practices.

I acknowledge that I have read and understand the above information.
